

CWS Kit Depots

Filled with Hope. Packed with Love.

What is the CWS Kits Program?

CWS Kits are small packages of donated supplies assembled by volunteers like you and shipped to people in need. CWS Kits include: Period Packs, Welcome Backpacks, School Kits, Hygiene Kits and Cleanup Buckets. When you volunteer with the CWS Kits program, you help transform lives by sharing love and showing a tremendous amount of compassion and support to our neighbors.

What are CWS Kit Depots?

CWS Kit Depots are designated local churches, organizations and businesses that serve as kit drop-off locations for assembled CWS Kits.

An ideal Kit Depot location has:

- A safe and secure location with a room or open space of, at least, 100 square feet that could be used to store CWS Kits.
- A room or space easily accessible without stairs.
- A parking lot large enough to accommodate a semi-truck for loading kits.

CWS Kit Depot Volunteer Requirements

We welcome individuals, congregations, companies, organizations or local clubs that are interested in volunteering as a group.

An ideal Kit Depot Volunteer is:
