

HYGIENE KITS LIST

When people are forced to abruptly leave their homes because of emergencies, they may not have time to pack the things they use on a daily basis like toothbrushes or soap. But after a few days without these items, they definitely miss them. Your hygiene kits offer a refreshing daily boost for someone when supplies are hard to come by. Please remember to send \$2/kit to CWS to cover the costs of processing.

SUPPLIES NEEDED:

- One hand towel measuring approximately 15" x 28" to 16" x 32" (No fingertip, bath, dish, or micro-fiber towels.)
- One washcloth
- One wide-tooth comb removed from the package (Found at discount dealers like [sallybeauty.com](https://www.sallybeauty.com).)
 - Must be sturdy with at least 6 inches of teeth
 - No pocket combs or picks
 - Rattail and combs without handles are acceptable
- One fingernail or toenail clipper (Either one is acceptable. Remove from packaging.)
- One bath size bar of soap in the original package
- One toothbrush in the original package
- Ten standard size Band-Aids

All items must fit inside a one-gallon Ziploc type bag. Remove the excess air from the bag and seal before boxing. Do not add any extra items or toothpaste. A tube of extended expiration date toothpaste will be added to each hygiene kit just prior to its journey.
