

# INVITATION TO OFFERING: CWS KITS

As followers of Christ, we are called to extend love and care to our neighbors in need. Through your support of the Church World Service Kits ministry, you provide essential supplies to individuals facing crises.

These kits bring comfort to those recovering from floods, dignity to women and girls, and hope to families. Your generosity today will meet tangible needs and share the powerful message of God's love and care.

Let us come together and give faithfully to this vital ministry.

## PRAYER OF BLESSING

Loving God, we thank you for the abundant blessings you have poured into our lives. Today, we offer these gifts, trusting in your power to multiply them for good. May these CWS Kits bring comfort to those in despair, relief to those who are hurting, and hope to those who feel forgotten. Bless them and the hands that will deliver them, so that all who receive may know your love and care. In Jesus' name, Amen.
