

HURRICANE RELIEF: FALL 2018

Responding to Hurricane Florence & Hurricane Michael

Thanks to the support of generous congregations across the United States, we have had plenty of supplies in our warehouses to answer the calls of communities hit hard by hurricanes this fall. We have shipped out tens of thousands of CWS Hygiene Kits, Emergency Cleanup Buckets, School Kits and Blankets to make sure that our neighbors can face the road to recovery with a little more peace of mind.
